INTRODUCTION

TO OUR SCHOOL

We believe that learning should take place in a happy, caring and stimulating environment in which staff, children, parents and the local community have important roles to play. To achieve this, we, the Century family aims to provide a happy, caring environment in which both the children and adults feel secured and valued, where they will find satisfaction and pleasure in their work, and will flourish. Continuity and progression within the curriculum and providing opportunities for children to develop an understanding of the world and its influence upon it, is ensured. Acquiring knowledge, skills, concepts and attitudes which will be relevant throughout their lives is our responsibility. We care and contribute our best in the overall development of each Centurian.

CENTURIANS

VISION & MISSION

VISION:

To prepare the students for a rapidly changing world by equipping them with critical thinking skills, global perspective and respect for core values of honesty, loyalty and compassion.

MISSION:

- ❖ To offer a strong platform towards developing their talents and sharpening their skills to make them realize their dreams.
- ❖ To ensure the all-around development of children with enormous enthusiasm, unfailing confidence and high self-esteem.
- ❖ To tap the hidden potential of every child and help them to excel in it.
- ❖ To adapt innovative methods to achieve academic excellence in conformity with cognitive, affective and psychomotor domains.
- ❖ To provide an opportunity for participating in all the activities which promote physical fitness.

CENTURIANS

BACKGROUND &

ETHOS

Our school bloomed with just 7 blossoms in the year 1998. As it progressed, the school established itself as a Matriculation Higher Secondary School, offering students a challenging curriculum and an enriching academic program from Kindergarten to STD 12. The building spans over 60,000 sq. ft and consists of smart classrooms, activity rooms, science laboratories, a computer lab, a library and an office area. The size of each classroom is 30ft x 20ft with adequate windows for good ventilation and lighting. The seating arrangements are specially designed according to the age and height of the children. Ionized pure drinking water is available at the campus. There are washrooms in all levels of the building for both boys and girls with tiled floor, which ensures good hygiene. A vast area is dedicated to the playground. There is a big courtyard for conducting the school assembly. In short, it is a safe, serene and self-contained campus.

CENTURIANS

SCHOOL

AIMS

Learning to play, discover and achieve together. The Principal, Staff and Management of Century Foundation Matriculation Higher Secondary School work together to provide a school where each child feels valued. We aspire to help the children to develop a positive and confident attitude towards themselves and their work by appreciating and rewarding their achievements. We do seek for high standards of attainment by providing a broad and balanced curriculum.

OUR SCHOOL AIMS TO:

- ❖ Provide a safe and secure school whilst maintaining an open, informal relationship with parents and the community.
- ❖ Help children have a positive and confident attitude towards themselves and a belief in their abilities in order to bring out their full potential.
- ❖ Help children to learn tolerance and respect other people, their beliefs and their belongings.
- ❖ Encourage each child to be independent and also learn to work and play co-operatively with others in an atmosphere of friendliness, enthusiasm and fun.
- ❖ Celebrate each and every opportunity of success of our children.
- ❖ Provide equal opportunities for all the children to learn and succeed regardless of their abilities, gender, race or special needs.

CENTURIANS

ADMISSION PROCEDURE CHECKLIST

The admission process is designed to enroll students not only demonstrating promise but also other worthy children. Along with the prospectus, a registration form, medical history and declaration forms are enclosed. Registration does not imply admission, but it is subject to the admission criteria. Prospectus and registration forms are available only on specific dates as displayed on the notice board at the school campus. Students from other schools seeking admission at Century

should submit the following details:

- ✓ Filled in application form
- ✓ Transfer certificate with EMIS number
- ✓ Photocopy of the birth certificate
- ✓ Photocopy of the community certificate of the student
- ✓ Photocopy of the Aadhar card
- ✓ Students Passport size photo (3)
- ✓ Photocopy of the ration card
- ✓ Filled and countersigned medical history
- ✓ Declaration form if any
- ✓ Students from other states have to produce migration certificate, students from other boards like CBSE, ICSE etc., should get their TC countersigned from their District Education Department. For 11th admission, 10th std mark sheet and original TC should be produced.

CURRICULUM

SCHOOL LIBRARY

CURRICULUM:

At Century Foundation Matriculation Higher Secondary School, we follow Tamil Nadu State Board syllabus along with enriched other publishers books, which pave way for quality education to all children without any discrimination based on their economic, social or cultural background. Links to the other subjects are made if relevant. Our intent is that our children receive a broad and balanced curriculum, as it is our belief that each of the subject is as important as the other, with equal

value. The intention is that children should know more, remember more and do more to equip them for their next step in higher education and eventually a better career. The curriculum is designed to support the teaching staff to have a subject knowledge across the subject range. Each subject leader clearly maps out progression within each subject, giving clear learning intentions, strategies for recording, cross-curricular links and educational visits, to ensure that there is a depth of knowledge in each lesson taught.

SCHOOL LIBRARY:

The School has a well-equipped, ventilated and computerized library, with over 10,000 volumes which include books, videos, DVDs, CDs, subscriptions to 25 periodicals which are added continually. The library also provides students and teachers with a range of reference books, encyclopedias, journals and newspapers and internet facilities to enrich their classroom activities and knowledge. Kindergarten has its own class library. All new books are arranged on a display table in the library for a month and reviews are put up on the notice board. Our specially trained librarian organizes the Library Week with book readings, designing book jackets & bookmarks and writing book reviews. To encourage the reading habit, a special 'Drop Everything and Read Podium' has been provided for children to read aloud passages from their favourite books and this is followed on a weekly basis in all classes, from III to XII.

CENTURIANS

SCIENCE

LABORATORIES

PHYSICS LAB:

Modern technology apparatus for covering experiments, which are related to learning and doing their best, during board exams and for higher education. This laboratory generates and sustains interest in the study of physics, with practical knowledge by motivating our students of Class VI to XII to ensure divergent scientific thinking.

CHEMISTRY LAB:

This lab is equipped with all the apparatus, glass wares and chemicals, which are required for the practical teaching-learning process from classes VI to XII. It is noteworthy to mention that the chemistry lab has been furnished with the LPG gas connection in order to facilitate learning in the most effective manner.

BIOLOGY LAB:

This lab is equipped with well-equipped instruments, microscopes, numerous specimens, models, charts etc., it gives relevant information about the unicellular and multi-cellular organisms by keeping everything possible for the uninterrupted education system.

CENTURIANS

COMPUTER LAB

LANGUAGE LAB

COMPUTER LAB:

Our computer lab is a well-designed, false-roofed, fluorescent-lamps-lit and beautifully-decorated one. There are 40 computers, consisting of Intel core i5 processors, with 8 GB RAM for high processing speeds. All the computers are connected through LAN. Each computer is loaded with innovative software to back up the challenging curriculum. Broadband internet connection is available to facilitate the learning process.

LANGUAGE LAB:

We have introduced the best Language lab solution, which is the integration of the state-of-the-art software, with the present-day digital hardware technology in teaching spoken English. The new concept in this software is, "The software is the teacher; the language lab – the media and the teacher – the facilitator". The voice in the software is unique. The students, while hearing back their recorded sound, gradually develops the confidence to speak English fluently.

MATH LAB:

Well-equipped Math lab is in use for classes 1 to 10. The lab is well maintained. We also have equipment like geometrical figures, cube nets, cuisenaire boards, pentomino boards etc to help the students understand the mathematical concepts in a better way.

From the child's perspective, the Visual, Auditory and Kinaesthetic approach of Math Buddy, helps the children understand the complexities and abstractness of Mathematics easily. This encourages the child's confidence during the learning process.

From the teachers' point of view, the practical approach provides another dimension of teaching Mathematics with ease, backed up by an audio-visual interactive software support for reinforcing the learnt concepts and building speed with accuracy and confidence while solving Math by applying the understood abstract concepts.

CENTURIANS

DIGITAL CLASSROOM

**CO-CURRICULAR
ACTIVITIES**

DIGITAL CLASSROOM:

Through digital classrooms, we provide additional support which enhance the curriculum to cover the broad scope of the State Board with additional input. We believe that the students today should be exposed to the vast array of technology that is available. By using digital classrooms, we create more engaging environment, retention of knowledge is improved, access to the information becomes easy and preparing students for a better future is made possible.

Additionally, it creates more teaching-learning opportunities for educators.

CO-CURRICULAR ACTIVITIES:

“We learn through experiences because every situation is a trigger to invoke that power of changing circumstances, the way we desire them to be”.

Co-curricular activities in our school are meant to bring social skills, intellectual skills, moral values, personality progress and character appeal to the students. It includes athletics, cultural events, library activities, creative arts, science projects to the national level, sports and games to all age groups, NCC, Scouts & Guides, School Band, Club activities like Intach club, Interact club, Sacon club, Literary club and Language Development Program.

Extra curricular activities are nowhere less in our school. Students, who participate in extra-curricular activities, learn how to commit themselves to a particular activity they get involved in. Extracurricular activities are utmost important in a student's life. Students who get involved in extra activities meet new people and because of that their social skills are improved. It includes Yoga, Meditation, Karate, Western Dance, Bharatanatyam, Chess, Gymnastic, Vocal Music, Band, Skating and Needle work.

These activities are designed and balanced with the academic curriculum so that every student gets to learn beyond subjects.

CENTURIANS

CO-CURRICULAR ACTIVITIES

ADDITIONAL SUPPORT:

We provide a good support system, to ensure the safety and security of the student's, by taking good care when they fall sick, with the help of the trained nurse who is available through out the day. PTA is conducted to listen to the grievances, for accepting and implementing the suggestions provided by the parent representatives for the betterment and development of the children. Safe transporting system with door-to-door service on payments

within 25km radius is available. We provide scholarship to our outstanding achievers both in academics and sports.

ACADEMIC EXCELLENCE:

"Nothing is impossible for a willing heart". The students of Century who take the final examination under high school and higher secondary stream, secure a 100% result with distinctions and they bring laurels to the teachers and school repeatedly every year. Thereby, we are proud and happy that our children are hard-working with the highly trained teachers, who guide and help them achieve good scores in their board exams.

ACHIEVEMENTS:

We are profoundly happy to publish a glimpse of our achievements in the fields of academics, sports, arts and science. We have achieved 100% results in the board exams. We have been a part of International exchange programs. Our alumnus has participated in Rio Olympics and a few others were selected for the Southeast Asian Games.

Moreover, our illustrious alumni have stepped foot in various fields and had also succeeded as Entrepreneurs, Doctors, HR managers, Chartered Accountants, Bankers, Advocates, and Sportsmen.

CENTURIANS

ACHIEVEMENTS

The students who have entered the portals of Century Foundation School, have crowned the Alma mater with success, achievements, and pride. "The difference between possible and impossible lies in a man's determination". Our alumnus A.Dharun participated in RIO OLYMPICS 2016 in the event 4x400m relay. T. Navaneeswaran, S.I Dhanabalan, P. Hareesa and Parameshwari have been selected for 2020 OLYMPICS from

Tamil Nadu State.

Our NCSC project on "Weather and climate", led by our alumnus Sarvika Raghu has won in the National Level presentation and it is the only project selected from Tamil Nadu. J. Sarunnavvi and L. Carlin Kanika got selected to the National level Science Project under the topic on "A case study on the impacts of online classes on children's health and education", and they were selected among the 40 projects from 25 schools in the year 2021-22.

M. Siva Moorthy of grade 6 has represented the state of Tamil Nadu and had won the 1st place in an athletic event. G. Vishnu Sri of XI secured the Gold Medal in the High Jump under 16 category in the Junior Athletic Championship at the state level. Shankar of XII secured the Silver Medal in the Long Jump under 16 category in the Junior Athletic Championship at the state level. Yogeshwaran of grade XI won the second place with a cash prize of Rs.3000 in the District Level Tamil Speech Competition, which took place on Gandhi Jayanthi.

To add to our glory, our pupil A.M. Shankar has secured II Place in the World Level Drawing Competition conducted for "International Peace Poster" Drawing by Lion's club.

Our achievements in Archery, Chess, Quiz and other Activities are also remarkable.

CENTURIANS

ACHIEVEMENTS

Over the past decades, Century has produced many professionals and they are highly prominent in their locality. To name a few Dr. Abdul Jabbar, Dr. Bavyapriya, Dr. E. Madhumithaa, Dr. K. Priyanka, Dr. Summaiah, Adv. Achish Vivek. Adv. V. Mohammed Shabass and many are entrepreneurs. We are very proud and happy in contributing our support and guidance to our students in all possible ways.

Our school has given us an identity and a chance to aspire what we wanted to be.

CENTURIANS TESTIMONIALS

Name : Karpakam.K

2015-16 Batch Designation :

Architect @ Studio 44 Architects, Chennai.

“ If there is one thing that school has taught me, It’s that point of life where it unveiled to me, that seeding hardwork is the best way to harvest success”.

Name : KARUNAHARA SM

2011-12 Batch Designation : Chartered Accountant , Tiruppur.

If I have to mention particularly about one thing among a lot, that my school taught me is “ Today is the best day to commence any action or work , don’t postpone things coming in your way , because when works are postponed to tomorrow, even tomorrow we will feel to postpone it to the day after. Because what is ticking away is not clock , what is ticking away is our life itself.

This single point motivates me to function my pending works on the same day, which in turn helped me so much in building my business career and reputation.

Name : Nandhini

I have been a student of Century Foundation for five years and I can tell you that no other school can prepare you for a successful career the way Century Foundation can. The school’s gruelling curriculum combined with holistic development prepares the student for the future with confidence, skills, and tactics to face whatever kind of challenges the future holds, if you want to be a successful person then CFMHSS is the best place.

Name : Dr. Sumaiya Banu

I would definitely recommend Century Foundation, as the school takes the education mission to heart. The school has redefined itself to create new interests for students to learn while they play while focusing on fundamentals.

This small-knit community has allowed me to participate, and succeed in whatever I put my mind to. There is always room for improvement if students are willing to dedicate the time and effort to becoming young professionals with the backing of CFMHSS education and real-world experience.
